Scatter Threesome

Calvin Campbell

This dance was composed by Ted Sennella. Ted wrote many dances for threes. This one is a very good crowd mixer. I don't use it at beginner parties, but I have used it for community dances.

Scatter Threesome

Formation: Random lines of three. A man with two ladies on either side or a lady with two men on either side.
Music: Any good Jig

1-16 Left hand person in each line leads the line around the hall. Find another line of three.

17-24 Right Arm Turn the opposite 1 1/2 times to form a line of three on the opposite side.

25-32 Lines Forward & Back

33-40 There will be a man with a lady on the right in each of the lines of three. The couples in each line Right & Left Thru.

41-48 New lines of three Forward & Back

49-56 Each line Circle Three

57-64 Break and form a line of three with the odd gendered person in the middle.
